NEW PRODUCT RELEASE

16" x 18" pre-wired enclosure box

Benefits

- Control board and related accessories in one enclosure box (including BFT popular heating board for hydraulic operators)
- Water-tight and lockable
- Easy and time saving on installation and maintenance - ample space for wiring
- Safe (circuit breakers on power outlets and board, surge protector on main power)
- Easy to read schematic layout

Application

Hydraulic & electromechanical gate automation (1 or 2 operators) which can be controlled by BFT Rigel 4 and Rigel 5 boards.

Features

- 16"x18" lockable fiberglass enclosure box (4 fixing holes)
- Steel back panel
- Rigel 4 (UL/CSA) or Rigel 5 control board
- Surge protector
- Dual 110 volt outlets for accessories
- Two individual circuit breakers: one for power outlets shutdown and one for circuit board shutdown
- Pre-wired for optional BFT heating board installation
- Easy installation terminal strips
- Dual 11 pin loop socket on din rail and space on din rail for a third one
- Test button

Pricing

KERIG4Coo2U (Rigel 4): \$ 1,064.20

KERIG5Coo2U (Rigel 5): \$ 1,132.56
