RULES

FXF 100 Series(see Rules Tariff for specific application)

EXCEPTIONS:

NONE

TERMS & CONDITIONS

LIABILITY NOTICE

Except as provided herein, this pricing program is subject to common carriage laws, rules and regulations with the maximum liability coverage not to exceed \$25.00 per pound per package or \$100,000 per incident, whichever is lower. For other limitations of liability, excess liability coverage and international shipments, refer to FXF 100 Rules Tariff Item 420. Those items described in the National Motor Freight Classification Series (NMFC 100 series) shipped under released value provisions are subject to the maximum released value depending on the class listed at the time of shipment.

Discount applies only on shipments weighing and rated less than 20,000 lbs and which do not meet the conditions for capacity load rules and charges.

Customer hereby agrees that the rates and charges contained in this Agreement are intended to be utilized only for Customer and that it will not allow the rates and charges contained herein to be used or utilized in any manner by any other customer, broker, freight forwarder, logistics and consulting organization or any other reseller of freight services. Carrier shall have the right to immediately terminate any and all discounts contained herein for any violation by Customer of this provision, which shall not be considered an election of remedies and shall be in addition to any other rights and remedies available to Carrier under law and this Agreement.
